

## A Note from the Director

\*Welcome to Kid's Haven School Year 2018-2019. We have lots of fun things for the upcoming school year planned. Please check out our website, [www.kidshaven.net](http://www.kidshaven.net) to see all upcoming events.

\*If your child will be getting on a bus here at Kid's Haven you must have an alternate destination form completed ASAP.

\*GET YOUR TICKETS FOR THE FALL FESTIVAL ON THURSDAY, 9/27!! They are available in the office for purchase.

\*During the school year, please remember to call if your child/ren will not be coming back to Kid's Haven off the bus. Buses will be picking up and dropping off at the north side door.

We had a great summer. Thanks to all the great kids and parents!

-Missy Sjolin

## The Creative Curriculum

We are kicking off the curriculum by studying the beginning of the year. During the beginning of the year we explore the classroom, get use to the classroom environment and community. Throughout the year our curriculum is broken up into studies. These include, beginning of the year, pets, music making, simple machines, balls, buildings, recycle reduce, reuse, and getting ready for Kindergarten for our preschool graduating class. Our lesson plans are created based around these studies. In addition to the studies we also focus on a letter and a number each week.

It is important that you and your child be informed of our standards of classroom behavior so everyone knows what is expected. In the classroom we ensure children to maintain physical safety, respect the rights of others, not to hurt the feelings of others, and to care for the classroom and materials. We have always found parents to be very supportive of good classroom behavior so their child has a good environment for maximum learning. If your child develops any difficulty conforming to the rules, your child's teacher will notify you. As well, we hope that you will advise your child's teacher if at any time your child has a problem with any of the following, academic, social, or emotional difficulties. Should your child become discouraged or fearful about school, please communicate with your child's teacher so that we can discover the cause of the problem. We hope you have a great start to the beginning of the year!!!

## ABC Mouse

We are excited to announce our computer class through ABC Mouse has started back up on Tuesday, 9/4. We have handed out your child's ABC Mouse enrollment number if you would like to access it at home also. You have to redeem your child's code on a desktop computer. You will go to [www.kidorangetech.com/parents](http://www.kidorangetech.com/parents). You are welcome to view a parent getting started video link at <https://youtu.be/gXmH2gcw7fs>.
