

Happy Halloween

Kid's Haven Child Care & Preschool

A Note from the Director

Welcome to fall at Kid's Haven. The kids are back to school and Kid's Haven's school year is going great.

Thank you to all the parents that attended our Annual Fall Festival. It was a great success and it was fun to visit with all the families.

Thank you for your continued support of Kid's Haven. We are so blessed to be a part of your family.

Sincerely,

Missy

Reminders:

- Pictures are 10/8-10/10
- Please exchange extra clothes in your child's cubby to correspond with the weather
 - Take home your child's sunscreen
- Club's Choice Fundraiser is to be picked up Oct 22nd from 4-6pm

Regarding Halloween Parties: Please NO nut treats. We are also not responsible for any damaged, lost, or stolen items from Halloween costumes. Parent volunteers are also welcome to come join the fun and are greatly appreciated in the classroom!

The Creative Curriculum

We are still studying the topic of the beginning of the year. On 10/15 we begin to explore the topic of pets. We'd love your help gathering items to investigate. We'll need many different objects and pictures related to pets. Below is a list of suggested items, but you may also send others not on the list that you think may add to our explorations. Please label all items with your name so we can return them to you at the end of our study. We promise to take good care of them. Also, please let us know if you or a family member works with pets or has a gentle, interesting pet to share with the class. We would love to arrange a time for you to join us in our investigations.

Pet-food containers, plastic or stuffed animals, pet carriers, pet enclosures, cardboard shoe boxes, samples of dry pet food in airtight plastic containers, pet-food dishes and water bottles, pet bedding, pet toys, grooming materials, pet beds, pet-care books, books about pet breeds, pictures or videos children playing with pets, pets in everyday activities

As we study pets, we will learn concepts and skills in the areas of literacy, mathematics, science, social studies, the arts, and technology. We'll also develop thinking skills as we observe, investigate, ask questions, solve problems, make predications, and test our ideas.

At home you can notice pets in your community. Be on the lookout for pets at dog parks, on walks, in cars, and in homes. Ask to visit friends' and families' interesting pets. Talk about the kinds of animals you and your child like. How does it make you feel to interact with pets?

If you have a pet at home, invite your child to help care for the animal. Together, feed the pet and fill water containers. Talk about what, how often, and how much your pet eats and drinks. Invite children to watch as you clean the pet's habitat or to help you groom the pet. Take photos or make video recordings of your child interacting with and helping care for the pet.

Thank you for playing an important role in our learning.

Family Partnership & Upcoming Events at Kid's Haven

10/15: We are inviting a family member who works with animals to demonstrate how to meet and interact with new pets. Examples of people who work with animals include veterinarian, pet trainer, shelter worker, and groomer.

10/22: We are inviting a family member to join the class to share an interesting pet and its enclosure.

10/29: We are inviting families to contribute toy animals or habitat materials for the classroom pet-supply store.

10/31: We are inviting family members to join us at our Halloween Celebration from 9:00am-11:00am

Halloween Party: Spooky Scary Show at Kid's Haven (Transition, Pre 1, Pre 2, Pre 3, Pre 4, Pre 5), 9:00, 9:30, & 10:00 Treats, family, & costumes are welcome.

We are participating in Allina Health's Halloween Candy Collection, an event that promotes health living, including candy in moderation, exercise and proper dental care. On Thurs, Nov 1 and Fri Nov 2 we will have a collection box at Kid's Haven to collect candy donations. The collected candy will be donated to programs that send gift boxes to troops overseas. For each pound of candy collected, Allina Health will donate \$1 to our local food shelves. If Kid's Haven collects the most candy of the participating schools in our area, we will win \$250 to be used towards equipment to help improve the health of our center along with other health and wellness prizes from Allina Health.

Thank you in advance for encouraging your children to participate in this program!
