February 18: Mini March for Cystic Fibrosis at Kid's Haven

(All Kindergarteners who are not in school are still offered the Preschool events listed above).

First of all, I would like to thank you for taking the time to read our monthly newsletter. I hope you all read the article on Kid's Haven becoming accredited. We are very proud of our accomplishment and all of the hard work and dedication Missy and all the other employees put into the two year long project.

Kid's Haven addition is up and running and we are still working on the re-modeling in the existing building. We are also still waiting for Hair Haven's License to go through the State of Minnesota. We have had so many people waiting for Angie to open and as soon as the State gets to her paper work, you will be the first to know.

We are going to have a Valentine's Special for the month of February. If you have a referral for a new family that enrolls in the month of February you will receive \$20.00 off your weekly statement. In addition, the new family will receive \$20.00 off their registration fee. The new family will have to

mention your name to receive the special. Be sure to tell of your friends and family. Thank you for allowing us to be an important part of your child's life!

Sincerely,
-Terry Peterson
