## A Note From The Director

Well construction is well on its way and you have all been so patient about the inconvenient parking. We are hoping to have the new parking lot on the north side of the building done very soon. It will be gravel until we blacktop everything but we will be able to use it. Hance Utilities next door has been super with allowing us to use their parking lot. I should know more next month on a target completion date. The surveys I sent out came back almost equal so we still don't know for sure what we will do with the extra room.

If you are summer cleaning and have used toys or books that are still in good shape, we would LOVE new stuff for our new rooms. Also, baby equipment like pack and plays, high chairs, swings, etc...is always appreciated as well.

I hope everyone has a very safe and enjoyable 4<sup>th</sup> of July weekend and thank you for your continued support! Kid's Haven has

the best kids and parents ever~!

Sincerely,  
 Terry Peterson
