A NOTE FROM THE DIRECTOR

I would like to invite everyone to join in the fun at the Annual Crisis Nursery Fundraiser. It will be held on April 30th at the Buffalo Civic Center. Every year Kid's Haven puts together baskets for the silent auction for Crisis Nursery. Each classroom does a basket so please look for their list of items they will need. I have advance tickets in the office for the event. The event is well attended and benefits children and families in crisis.

Hair Haven is finally open. Please stop by and check it out. The hours are posted by the time clocks. If you want your child to get their hair done while at Kid's Haven, just fill out a permission form by the payment boxes and put it in the payment box. We will make sure Angie receives it. If you would like to call for an appoint-

ment you can call her directly or you can call Kid's Haven and we can transfer you to her.

Please make use of the Parent Resource Center that we have available to you in the front main entry of the building. We put updated information there continually such as parent education classes which are offered in the community. We want you to be aware that it is there for you, the parents.

In closing, I would like to thank you all for your continued support of Kid's Haven. I am so grateful for the wonderful attitudes and smiles you show us every day! We really enjoy having the opportunity to talk with you each and every day and sincerely enjoy spending our days with your children.
