## A Note From the Director

How about that parking lot? We are planning on leaving the parking lot as is until spring, at which time they will put on the last coat of black top, paint lines, and seal. So far it seems to be working out ok. Anything is an improvement! Our goal to finish the addition is December 7th, hopefully everything will be done by then. You have all been so patient throughout this whole process and for that I thank you from the bottom of my heart!

Have a safe and Happy Thanksgiving!

Terry Peterson
