*Happy New Year!*

I hope everyone had a great holiday season in these uncertain times. We appreciate all of our families we have received the opportunity to serve in 2020. Hopefully, we can put that year behind us and move forward to a new beginning!!

We are excited to kick off the New Year with many fun planned activities for each age group. I want to take the time to welcome any new families to our center. We are excited to be a part of your child's life. Our number one goal is to please all of our families. Feel free come to us if there are any questions or concerns regarding Kid's Haven. We are always open for suggestions!

I appreciate all of you who took the time out of your busy Holiday season to come here to close out your bill for the year. It is greatly appreciated and makes our accountant a lot happier☺

Your total 2020 tax statements were emailed out. If you haven't received it please come in the office and we would be happy to print it out for you.

Thank you for another great year at Kid's Haven, we are very blessed to have you all in our lives!

I wish you and your family the best 2021! - Missy Sjolin  
Director

**Creative Curriculum**

Next week we will be kicking off our clothes study. We need your help to gather a collection of clothes to investigate. We need clothes of all sizes, types, colors, and fabrics. Here is a list of suggestions, but you may also send in clothes that are not on the list. Please label the clothes with your name so we can return them to you at the end of our study. We promise to take good care of them. Jackets, coats, parkas, windbreakers, raincoats, ponchos, suit coats, blazers, vest, sweaters, sweatshirts, t-shirts, turtlenecks, work shirts, dress shirts, blouses, flannel shirts, jeans, trousers, pants, skirts, dresses, shorts, pajamas, bathrobes, neckties, bow ties, bandanas, scarves, belts, sashes, suspenders, gloves, mittens, socks, tights, shoes, boots, sandals, bathing suits, exercise clothes, old-fashioned clothes, uniforms, costumes and more. As we study clothes, we will learn concepts and skills in literacy, math, science, social studies, the arts, and technology. We'll also use thinking skills to investigate, ask questions, solve problems, make predications, and test our ideas. At home you can talk with your children about clothes. Examine fabrics together and discuss how clothes were made. Look at the labels to find out where the clothes were made and identify the fabric. Look at pictures from the past and note how the clothing differs from clothing today. Teach your child to stitch. Use a large plastic needle and yarn; make stitches on burlap or felt. When you shop for clothes, help your child notice how clothes are organized in the store and offer simple explanation of how you compare prices. Thank you for playing an important role in our learning!
