NEWSLETTER | MARCH 2021

-NEWS AT THE HAVEN-

We will be kicking off our building's study. Please gather all sorts of pictures of buildings from any source. As we study buildings, we will learn concepts and skills in science, social studies, literacy, math, the arts, and technology. We will also be using thinking skills to investigate, ask questions, solve problems, make predictions, and test our ideas. At home, talk with your child about the buildings that you see together.

Our school-age summer program will be fulfilled. We will schedule as many field trips as we are able to. We will have our free extracurricular summer classes...drama class, card making, computer, music, and gardening. Tuesdays will be our park days. We will walk over to Bent Mill Park Field to explore and have a picnic.

-REMINDERS-

If your child will be entering Kindergarten fall of 2021, your child will be running with our school-age program this summer. Please, let your child's teacher know if you are not planning on sending your child to Kindergarten this fall and he/she are old enough to attend.

As the weather is warming up a bit, please bring in your child's winter gear daily.
