

KID'S HAVEN

CHILD CARE & PRESCHOOL

Parent News NEWSLETTER | MAY 2021

-NEWS AT THE HAVEN-

We will be continuing our tree study throughout the month. At the end of the month, we are starting up our gardening study. This is a new study we are excited to explore. We will learn how to plan and care for a garden, how gardens grow, who helps gardens grow, how gardens help people and the environment, and how to harvest a garden. If you can, we'd appreciate your help gathering materials related to gardening such as, planters, pots, baskets, gardening tools, potting soil, spray bottles, seed packets, book about gardening, pictures of gardening. Also, please let us know if someone in your family has a job or hobby related to gardens and would like to share his or her expertise with the class. Any additional resources and help is always appreciated.
