NEWSLETTER | JAN 2024

-NEWS AT THE HAVEN-

As January unfolds in Buffalo, Minnesota, we embrace the fresh start that the New Year brings. This month is a time of new beginnings, setting intentions, and fostering a sense of optimism and excitement for what lies ahead. Our focus is on encouraging children to set simple, achievable goals, whether it's learning a new skill, making a new friend, or trying a new activity.

The beginning of the year is also a time for reflection and gratitude. We engage the children in discussions and activities that help them appreciate the past year's experiences and learn from them. This might include creating memory books, sharing stories, or expressing gratitude for their learning and friendships.

January in Buffalo thus marks not just the start of a new calendar year, but also a period of personal and communal growth. In our daycare, we strive to create an environment where every child feels encouraged to explore, learn, and grow, setting the tone for a positive and fulfilling year ahead.

-REMINDERS-

As we welcome the New Year at our daycare, we encourage parents and children alike to embrace the practice of mindfulness. This involves being fully present in each moment, whether it's during playtime, learning activities, or even meal times, appreciating the here and now with a sense of calm and gratitude. By incorporating mindfulness into our daily routine, we aim to foster a nurturing environment where both children and adults can grow in awareness, patience, and joy.
