-NEWS AT THE HAVEN-

Spring is in the air, and here at Kid's Haven Child Care and Preschool, we're ready to welcome the season of growth and renewal!

As the snow melts and the days grow longer, we look forward to exchanging our winter coats for light jackets and our indoor activities for outdoor adventures. This season brings new learning opportunities as we explore the changes in our natural world, from budding flowers to chirping birds.

We'll celebrate the vibrant colors and new life that Spring brings with a variety of fun and educational activities. Let's embrace the warmer weather, the bright blooms, and the joyful spirit of Spring together!
