

## -NEWS AT THE HAVEN-

As we welcome the warm breezes of May, our school is buzzing with excitement for the transition to summer and the enriching activities we have planned. This month, we spotlight National Children's Book Week, a fantastic opportunity to cultivate a love of reading in our young learners. We'll explore a variety of books, from adventurous tales to enchanting fairy stories, aiming to ignite imaginations and inspire a lifelong passion for reading.

As the days grow longer, we'll also enjoy more outdoor activities, helping our students embrace the beautiful changes that come with the season. Let's make the most of this vibrant month, filled with learning, growth, and fun!
