

# KID'S HAVEN

CHILD CARE & PRESCHOOL

## Parent News NEWSLETTER | MARCH 2026

### -NEWS AT THE HAVEN-

Dear Families,

As the days move quickly and schedules fill up, it's easy to focus on everything that needs to get done—work deadlines, school drop-offs, meal prep, appointments, and endless to-do lists. In the middle of all that responsibility, we sometimes forget a very important thing: the power of play.

Play is not just a way for children to pass the time—it is how they learn, grow, and understand the world around them. Through play, children build language skills, practice problem-solving, develop social connections, and strengthen their creativity. Whether they are building with blocks, pretending to run a grocery store, painting a picture, or exploring outside, they are developing skills that support lifelong learning.
