Parking Lot Safety Reminder

-The safety of our children, families, and staff is always our top priority. Please remember to drive slowly and cautiously through the parking lot during drop-off and pick-up times. Children can be unpredictable, and taking a few extra seconds helps keep everyone safe.

-We also ask that families avoid parking three vehicles deep under the awning. This area becomes congested quickly and can make it difficult for vehicles to safely enter and exit. Please use available parking spaces when needed.

Thank you for helping us keep Kid's Haven a safe place for everyone!
